RELEVANT EXPERIENCE

NOVEMBER 2015 – PRESENT

FREELANCE WORK
Front End Developer

While primarily a stay-at-home dad for my two children during this time, I fit in freelance projects when possible. HTML, CSS, and JavaScript development, content migration between different content management systems.

NOVEMBER 2014 – NOVEMBER 2015

MEDTOUCH
UX Developer

UX development for hospital and health services websites, including HTML, CSS, and JavaScript and implementation of various JavaScript libraries and front end frameworks. Worked with back end developers to integrate the sites into the Sitecore CMS.

NOVEMBER 2011 – NOVEMBER 2014

WEYMOUTH DESIGN
Front End Developer & Associate Web Producer

HTML, CSS, and JavaScript development for web and mobile sites and applications.

Implementation of jQuery and other JavaScript libraries. Image and content production for a large and diverse group of clients. Extensive use of the Adobe Creative Suite for design and production. Managing multiple projects and client schedules at once.

MAY 2011 – NOVEMBER 2011

STUDENT SOLUTIONS, INC.
Volunteer Social Media Marketing Assistant

Assisted with planning and implementation of overall online strategy for a nonprofit educational children's book publisher. Designed and created promotional materials and worksheets for use in classrooms using the Adobe Creative Suite.

SKILLS

Hand-coding of HTML, CSS and JavaScript. Implementation of jQuery and other JavaScript libraries and plugins.

In-depth understanding of Facebook, Twitter, and social media.

Knowledge of and extensive experience with the Adobe Creative Suite, including Photoshop, Illustrator, InDesign, Fireworks, and Lightroom.

Experience with Content Management Systems including Drupal, Kentico, Wordpress, Sitecore, and OpenText Web Site Management (RedDot).

EDUCATION
